SIMPLIFYING MEDICAL EDUCATION

**LONDON  
2022**

**12th & 13th OCTOBER 2022**

# EVENT PROGRAMME

# OPTIMAL PCI LONDON 2022

Optimal PCI is proud to be partnering with OPCI, our US colleagues based out of New York to bring you this next installment of leading cardiology education. Our international faculty will be presenting the latest thinking, insights, data and techniques in four vital areas of PCI.

## Calcium Modification – One pathway to success?

DAY 1 | 12<sup>TH</sup> OCTOBER | AM SESSION

|               |   |                |
|---------------|---|----------------|
| 9:00 – 9:10   | Introduction ( <b>Chairs:</b> J M Hill /Z Ali – <b>Audience Liaison:</b> J W Strange)     |                |
| 9:10 – 9:30   | Pre-procedure planning in calcific coronary disease                                       | Carlos Collet  |
| 9:30 – 9:50   | Why look, is imaging essential in calcific CAD?   | J M Hill       |
| 9:50 – 11:30  | Live cases: Thorax centre, Rotterdam/St George's Hospital, London                         |                |
| 11:30 – 11:50 | Nodular calcium, one bump too far? Eccentric calcium, what is the threshold of treatment? | James C Spratt |
| 11:50 – 12:10 | Critical thinking in CAC – which path to take?  | Ziad Ali       |
| 12:10 – 12:20 | Takeaways   |                |
| 12:30 – 13:30 | Lunch   |                |

## Stent Failure – Prevention or cure?

DAY 1 | 12<sup>TH</sup> OCTOBER | PM SESSION

|               |  |                   |
|---------------|--|-------------------|
| 13:30 – 13:40 | Introduction ( <b>Chairs:</b> K Croce/E Shlofmitz – <b>Audience Liaison:</b> Angela Mclnerney) |                   |
| 13:40 – 14:00 | Is it a big problem or who cares?  | Evan Shlofmitz    |
| 14:00 – 14:20 | Imaging in stent failure: What's missing?  | Gregor Leibundgut |
| 14:20 – 16:00 | Live cases: Aarhus University Hospital, Aarhus/St Francis, New York                            |                   |
| 16:00 – 16:20 | Mechanism of failure, how does this translate to treatment?                                    | Tom Adriaenssens  |
| 16:20 – 16:40 | DEB/brachytherapy – kicking the can down the road?   | Kevin Croce       |
| 16:40 – 17:00 | Takeaways and close  |                   |

## Post CABG – How do you navigate the maze?

DAY 2 | 13<sup>TH</sup> OCTOBER | AM SESSION

|               |  |                     |
|---------------|--|---------------------|
| 9:00 – 9:10   | Introduction ( <b>Chairs:</b> P Knaapen/A Jeremias – <b>Audience Liaison:</b> A Bagnall) |                     |
| 9:10 – 9:30   | CT analysis of Post CABG disease – A bird's eye view?                                    | Max Opolski         |
| 9:30 – 9:50   | Actions have consequences: The impact of grafting on coronary arteries                   | Allen Jeremias      |
| 9:50 – 11:30  | Live cases: Mater Private Hospital, Dublin /Bristol Heart Institute, Bristol             |                     |
| 11:30 – 11:50 | Native/graft disease – picking the low-hanging fruit?                                    | Rubens W. de Winter |
| 11:50 – 12:10 | Anastomotic distortion: assessment & treatment   | Paul Knaapen        |
| 12:10 – 12:20 | Takeaways  |                     |
| 12:30 – 13:30 | Lunch  |                     |

## CTOs – Worth the investment?

DAY 2 | 13<sup>TH</sup> OCTOBER | PM SESSION

|               |  |                     |
|---------------|--|---------------------|
| 13:30 – 13:40 | Introduction ( <b>Chairs:</b> S Kalra J Moses – <b>Audience Liaison:</b> Simon Wilson) |                     |
| 13:40 – 14:00 | Imaging in CTO PCI – Turn on the lights  | Sanjog Kalra        |
| 14:00 – 14:20 | ADR – Barriers to progress?  | Margaret McEntegart |
| 14:20 – 16:00 | Live cases: Mater Private Hospital, Dublin /Emory, Atlanta                             |                     |
| 16:00 – 16:20 | Finishing with Flair   | Nieves Gonzalo      |
| 16:20 – 16:40 | Minimising Complications   | Elliot Smith        |
| 16:40 – 17:00 | Takeaways and close  |                     |
